Exploring the Topic Water and Life

Water is an essential part of all our lives and the lives of all living things, yet the quality and access to water varies around the world and in the United States. In this conversation, we'll explore our personal stories with water as well as our hopes and concerns moving forward. Join us:

February 28, 2024 @ 10am for discussion, coffee, & pastries!

AZTEC PUBLIC LIBRARY 319 S ASH STREET
